Barbara,

I visited the site yesterday and documented the following work activities.

1. Mobilization of equipment and resource to the site in accordance with EPA approved work plan.
2. Clearing and grubbing of Big Star Property (a.k.a. lay down area) in accordance with EPA approved work plan.
3. Installation / repair of site security fencing in accordance with EPA approved work plan.

Please see attached photos as reference.

photo4.JPG photo.JPG photo2.JPG photo3.JPG

The following was not observed :

1. Construction office trailers for "site management activities" in accordance with EPA approved work plan.
